

Ramsey County Yard Waste Sites are Ready for the Fall Rush!

Good news! [Ramsey County yard waste sites](#) are open for extended hours through the fall. Now is the time to start tackling your yard work, and with a free place to bring yard waste, there's never been a better time to dive in!

Quick tips when visiting yard waste sites:

- All seven yard waste sites accept leaves, grass and garden waste.
- In addition, select yard waste sites accept shrubs and branches. Check ramseyrecycles.com/yardwaste for locations.
- Visit yard waste sites during the week. If you need to go on a weekend, Saturday mornings from 9:15 - 10:30 a.m. can be less busy.
- There is also a "[how to](#)" video!

Throughout the season, other benefits of the site will spring up, including the availability of various materials – all free for residents! These can include:

- Wood mulch.
- Compost.
- Fill dirt.
- Woodchips.

[Sign-up](#) for yard waste updates, so you can receive a free notification whenever these materials become available.
